This is a Sponsored Post written by me on behalf of henderson bas. All opinions are 100% mine. If you have tasted one of the Bistro Crustini sandwiches, I'm sure you'll agree with me that these delicious sandwiches are simply appetizing and it even comes with up to 11 different selections. Basically, I just love the crispy and cheesy Bistro Crustini sandwiches, as whenever I eat one of these sandwiches, it will give me a rather satisfying feeling. Also, it's fairly easy to prepare these sandwiches, whereby all you need to do is to insert it into your microwave and heat it for up to 2 minutes, and the tasty sandwiches are ready to be eaten!

Do take note that Nestle is organizing something called the Game Day contest, whereby any Canadians can enter this contest and stand a chance to win a free trip to Las Vegas for 2. It's fairly easy to enter the contest, whereby all you need to do is to visit the link earlier, and follow through the instructions given by the following web page. Also, the organizers will sponsor your stay at a deluxe hotel in Las Vegas, you will be chauffeured by a limousine service, as well as get 2 free tickets to watch a Las Vegas show, and they will even provide you with an allowance of \$1,500 that you can spend in Las Vegas during your trip! Of course, the website will notify that if you have won right after you have successfully submitted your contest entry, and every person is eligible for a single entry only.

If you think you can win the contest, try the link which I have embedded earlier!
